

Public Service of New Hampshire

Posting Date: 05/24/2011 **Removal Date:** 05/30/2011
Requisition Number: R-11-7221
Position Title: Meter Reader
Dept/Location: FMR-Rochester, Epping, NH
Reports To: Michael Rogers
Status: Hourly
Band/Grade:

Individual records setting of watt-hour meters and associated demand attachments, collects customer payments and connects and disconnects self contained watt-hour meters. This position requires the abilities to perform basic math functions, communicate effectively, follow instructions, work without direct supervision and the successful completion of the Meter Reader aptitude test. This position requires the individual to work outside in adverse weather conditions. Must be willing and available to work overtime as required. Additional requirements include a valid Motor Vehicle Operator's License and a proven safe driving record. Knowledge of geographical area is strongly desirable. The ultimate rate for this position is \$25.05 per hour.
